

Parents,

We recommend that you and your son/daughter visit the Florida Department of Education's website at: www.FACTS.org.

FACTS.org is Florida's official online student advising system! High school students, college students, parents, and even counselors can use the services provided on this website to help plan and track educational progress in Florida! FACTS.org is provided free by the FI DOE to help students make informed choices about their education.

- ◆ Determine career objectives
- ◆ Evaluate high school progress using ePEP
- ◆ See high school course summary and grades
- ◆ Learn about higher educational opportunities in Florida
- ◆ Apply to college online
- ◆ Choose the right major
- ◆ Access college transcripts and grades
- ◆ Track progress towards college graduation
- ◆ [Determine what matters in bachelor's degree completion](#)

2006 A++ Legislation

Helps students self-identify personal interests and abilities that may lead to future careers.

Ensures all students are informed and prepared for their future careers regardless of whether they plan to attend a university, technical center, community college, enter the military or direct employment.

Gives students more options upon high school graduation.
