

PARENT INVOLVEMENT COMMITTEES

Charlotte High has developed the following list of committees in which parents and/or volunteers can be involved in the educational process of our students. You can sign up for one of these committees during a SAC meeting or you may contact Mrs. Cindy Rhodes at 575.5450, ext 1214.

Teacher Appreciation

Purpose: In appreciation of all the hard work and effort that the teachers and staff put forth throughout the year, the CHS SAC likes to give back a little something during this week.

One event is a special catered lunch that is served by SAC members and other volunteers. Other days might consist of a candy bar and a note or bookmark in their mailbox. At least one breakfast that week is also served. We try to collect donations from businesses in the community as well as things like gift cards that we can give away. Some schools have done things like Ice Cream Socials, facials, and back massages. The possibilities are endless. Working together with our parents and the community we can show the teachers and staff at Charlotte High that they are appreciated.
