

The Academy

About Us

The Academy's school mission is to provide a unique, caring, and flexible learning environment that motivates students to take charge of their future success.

Chances, Choices, Changes

Why should YOU consider The Academy?

- You are behind in credits to graduate on time with your class.
- Overaged for the grade you are currently enrolled in.
- Your GPA is below a 2.0.
- You are pregnant and parenting and need special services.

What are unique features at The Academy?

- We provide a smaller and supportive learning environment.
- Provide greater opportunities to get caught up with credits through block scheduling.
- Flexible graduation options.
- One on one transitions to post-secondary pathways.
- Dual enrollment at CTC.

Other Information:

- Students can earn a regular high school diploma.
- Breakfast and lunch are provided for free to all students.
- Busing for all students living in Charlotte County.
- Students can play sports at their original school if eligible.

How do I enroll at The Academy?

- Complete an online application or submit a completed application to The Academy front office.
- You will be contacted to schedule an interview or to discuss your needs with the Principal of The Academy.
- You will be notified at the interview if you are accepted.
